Τι να πούμε πρώτο; Αγαπάτε όλοι τόσο πολύ αυτό το μέρος που είναι αδύνατο να μην το αγαπήσει όποιος έρχεται! Για εμάς ήταν δώρο από τον Θεό η διαμονή μας εδώ και έφυγε μ' ο λόγος που μαλώνα παραλία δεν μας ικανοποιούσε (μ' χυρνάσαμε πάλι εδώ!). Ευχαριστήρια σε όλους, το ενδιαφέρον μ' ο σεβασμός σας πραγματικά μας αγγίνησε! Θα ξαναρθούμε μ' θα έρθουμε πάλι εδώ - θα μλείσουμε απ' τον Μάρτιο! Special thanks το μ. Αρτέμη, μ. Σε τέλεια αρμονία με το φυσικό περιβάλλον, με αισθητική υψηλού επιπέδου, σε τοποθεσία που μαγεύει και ανθρώπους που σε κερδίζουν με την πρώτη ματιά, ο Άγιος Αρτέμιος διεκδικεί πλέον μια ξεχωριστή θέση στο σκέφτομαι και στην καρδιά μας και φυσικά καλεί να δώσουμε υπόσχεση πως θα ξαναβρούμε κοντά του!

Αρτέμη, Γιάννη, Παίνο, νιώθουμε τυχεροί που σας γνωρίσαμε και σας ευχαριστούμε θερμά για την ζεστή σας φιλοξενία.

Since we "found" Agios Artemios last October we have loved it.

It is really a special place with the church in the middle surrounded by houses individually designed and furnished with love.

The beauty of Agios Artemios with the different places and levels connected by small ways and steps invite to dream and relax. Every places offers a marvellous view.

The harmony of this quiet area is very unique.

Last but not least your very friendly and personal service make us feel like family members

.... a perfect stay for holiday!

We are looking forward to come back soon

Lorsqu'on reserve sur internet, on se dit que les photos sont plus belles que la réalité ... mais en arrivant ici, c'est le contraire que j'ai pu constater. maisons blanches et bleues, ciel bleu, soleil et léger vent ... musique local très agréable dans la salle du petit dejeuner (excellent par ailleurs) et à la piscine ... Le tout avec un accueil très chaleureux qui fut très appreciè. Merci beaucoup Anne Forest.

Ottima ditta, efharisto a Damiano!
Il posto è lungnifico, inutile sprecare parole. Un angolo di paradiso bianco e blu dove tutto è perfetto a cominciare dell'ospitalità squisita e sincera di Linda e di Artemis che ci hanno ricevuto come persone davvero speciali.
Mi piacerebbe portare a casa con me parte di tutto questo ma dovrò accontentarmi delle innumerevoli foto scattate ad ogni angolo di questa candida e impeccabile struttura.
The appartment has been perfect for our family and the island, and the structure in particular, offers so many ways of passing the time that time passes so quickly.
We thank our hosts for a wonderful stay.

Wir hatten zwei unvergessliche Tage in diesem idyllischem, malerischen Ort. Der Anlass unserer Reise war eine romantische Hochzeit von Jutta und Michael. Wir haben uns hier sehr wohl gefühlt, über die freundliche und entgegenkommende Art, haben wir uns sehr gefreut.

Wir würden gerne einmal wieder kommen.

My short stay here has been a very happy one. My son married a Greek girl in this very beautiful place where the atmosphere, facilities and staff could not have been more in tune with the needs and wants of such an occasion. It has been a kind of home-from-home. I will never forget it and I know that in quiet moments I will return to thoughts of a place where so many of the good things of life come together in delicious harmony.

Thank you.

Travelling to Santorini, we had a lot of expectations from what we heard about it... and you know what usually happens when the expectations are really high... you are usually disappointed or at the best there is no surprise, you are ready for it! But not this time!!! Your place and the whole island are beyond words. You can only feel it and experience it but not describe it. The words will not do it justice.

We truly hope to see you again and wish you all the best in upcoming seasons!

We have certainly been pleasantly surprised by Agnios Artemios! It is our first time in Santorini and this was the ideal place to base ourselves for 6 days.
The facilities are fantastic and we enjoyed the pool, gym, tennis court & basketball nhg... we only wish we had more time here to use the jacuzzi too.
A big thank you to the staff who have been friendly & helpful, it has made our stay complete.
We hope to see you again one day!

It is the island athmosphere, the colors, the past, the sounds & tastes - all as tailor-made, so cozy & homey.

Que sítio fantástico! A paz, as pessoas, os momentos.

We must say we weren't expecting all this when we booked Aghios Artemios on the internet. We were searching for a place of Santorini, away from the touristic flow, something a bit more authentical. We got it!! We were guided on Santorini's best places and we had the time of our life here. Thank you for making this possible for us and for the ones following, these are moments to remember.

Caro Artemis,

solo 4 giorni in questo posto stupendo... sono davvero pochi e meritano di essere ripetuti a breve!

Arrivederci, spero a prestissimo!

Aghios Artemios liegt an der Ostküste der griechischen Insel Santorini und ist ein Ort der Kraft, der Ruhe und der Meditation. Seine Kirche bewahrt die über 600 Jahre währende Tauchtradition. Unser Urlaub vom 14. - 21. 05. 2008 scheint vor der langen Geschichte dieses Ortes kürzer als ein Augenzwinkern.

Als einzige Gäste, zusammen mit Marlise, der Schwester von Yvonne, geniessen wir die wunderschöne Anlage. Wir sitzen auf der grasbegrünten Piazza der oberen zwei Häuser. Unser Blick schweift über die blendend weissen Mauern, über die Kuppel der Kirche und verliert sich im tiefen Blau des ägäischen Meeres. Die Geräusche der Handwerker erinnern uns daran, dass die Saison noch nicht begonnen hat.

Nicht nur der Ort sondern auch die Besitzer dieses Hotels machen unsere Tage hier zu einem Erlebnis!
Da ist Yvonne, ausgestattet mit allen Tugenden der Göttin Helvetia. Sie verwöhnt uns, ist herzlich, bescheiden, clever und scheinbar unermüdlich.
Und da ist Artemis, ein Grieche. Er hat das Temperament von Zeus, gestaltet aktiv sein Umfeld, ist Architekt aus Leidenschaft und zelebriert Gesellschaft.

Rot steigt die Sonne aus dem Meer
Rot sie darüber auch wieder geht
Währenddessen der Wind den ganzen Tag verweht.

Dank von ganzem Herzen Euch beiden
Santorini, gerade an diesem Fleck, wird für uns ein unvergessliches Erlebnis bleiben! Ruedi und Sandra

Thank you for giving us the chance, to see
this beautifull Island and for your hospitality.

We will come back - FOR SURE!!!

p.s. thank you for the bowling lessons!

All'arrivo pensavamo che il tour avesse sbagliato l'indirizzo, ed invece ... invece abbiamo scoperto un'oasi incredibile, tanto bella da sembrare disegnata, il sole e i colori disegnano in ogni angolo quello che veramente noi cercavamo alle Isole Cicladi.

È vero quello che dicono i viaggiatori che sono stati su questa isola: Santorini ti entra dentro, è diversa da ogni altro posto, non è il mare, non è il sole, ma tutto insieme, il vulcano, i giochi di luce sull'acque, sulle case, sui volti delle persone...

Questa vacanza sarebbe stata diversa se non fossimo capitati in questo angolo di paradiso!

Grazie ad Artemis (credici, non abbiamo MAI trovato un ospite come te!) e grazie anche ad Ivonne, Cristina e Niko. A presto! (P.S. ...ci conti!)

La semplicità l'eleganza e l'accoglienza di questo posto meraviglioso mi mancheranno e penso a me lo dovrebbe è compensato solo dalla gioia di aver conosciuto me persone speciale quale Artemis un ospite splendido, un nuovo amico

We have been all over this beautiful Island.
but there is nowhere else we would have
chosen to stay than here.
Artemis and all his team are friendly,
hard working and made us feel so welcome.
We will be back!
Thank you very much.

Ci vuole un sogno per vivere ed Artemio ha un sogno da condividere con gli altri; un sogno che arricchisce lui e quelli che lo incontrano. Questo luogo incanta per la cortesia, il calore dell'accoglienza, la raffinata semplicità del contesto, in cui si respirano Tradizione, culture e amore. Grazie per aver respirato Tutto questo

Luciana Mondaini

Questo magnifico luogo rispecchia perfettamente l'animo generoso e ospitale di Artemio, della sua gente e della sua terra.
Sono già stata qui qualche anno fa e ne sono rimasta molto colpita - Oggi posso riconfermare con certezza quello che è stato la mia prima impressione:
è qui che pulsa il cuore di Sanremo

We have had a fabulous time staying in your glorious hotel. Artemis + Panos + Christina did a great job looking after us. It has been a very relaxing location. a great place to come home to every night.

We have loved relaxing by the pool in the sun + the excellent breakfast.

As we travelled to Santorini for a friend's wedding, the location was lovely - away from the crowds + tourism of Fira or Oia.

Thank you for our stay.

When we came here, we expected blue skies, white houses, red wine, sunny days, fresh fish . . .

Now that we spent our week here in Pythos Artemios, we know, the skies are even bluer, the houses whiter, the wine more red, the days sunnier, the fish fresher ☺

It was far more than we expected and we have to thank Irene (Page 1 / June 18th) for the great advice to visit this beautiful place.

Thanks to all the people here, hope to see you soon.

This is one of the best places to stay in Santorini.

The unique location and panoramic views make this resort a place to remember. I've been to Santorini before but this resort and the friendly staff make a big difference. Mr. Artemis has done a wonderful job transforming the caves into a unique living and comfortable place to stay. His expertise and attention to detail is worth mentioning. The old chapel is also a great treasure.

The staff of Christina and Nick are very friendly and willing to provide anything to make the stay more comfortable and enjoyable. The breakfast was more like brunch every day. A wonderful selection of grains & breads along with fruits and ~~cheese~~. Very nice indeed.

The pool area was very useful for the times when I felt lazy to go to the beach. All and all I had a wonderful time at the resort and I'm planing to come back any. I would highly recommend it to anyone - Vasilis from NY
